Topic	Lead	Approx. Time
Minutes Review	Michael	5 min
Status or R and R	Michael	10 min
Edu1World Standardization Recommendation*	All	15min
Added: language attribute for PESC standard	Margenau	10 min
Meeting Summary	Michael	5 min

Minutes: Morris

Action Items

- Michael will contact Lauren Piper to determine a) how we can delete objects and b) if there is a method to bulk load documents
- Michael will add to the agenda for next week a review of how HR-XML uses language attributes to qualify its elements
- Steve will review HR-XML to determine how they use language attributes and will deliver a report next week.
- **All Members will try each of the features on edu1world (on PESC TAB community) to determine how they work and how they may be used for PESC workgroups and boards**
