Minutes: Morris

Action Items from Last Week

- Steve and Jam will provide a background email to the W3C contacts on PESC needs for a language attribute and will ask them if they have a good solution for PESC to implement a language solution.
- Michael will contact Dave Moldoff to invite him to join us in a discussion of the role of EdUnify in providing services for PESC users.
- Michael will contact the co-chairs of EA2 and invite one of them to join us to explain how EA2 fits into the overall messaging and web service architecture.
- Michael will discuss with the CCB the possibility of piloting the single file schema with the Recruitment and Enrollment submission that is coming to the CCB.
